TUITION ASSISTANCE

HCS provides tuition assistance to families with demonstrated financial need, who desire to make Christian education a priority for their family. A ministry discount is available to those families in ministry. The ministry discount and financial assistance may not be combined. There is a 20% discount for new families that sign up before June 1st. Families will need to fill out a financial assistance form.

Generally, tuition assistance does not exceed 50% of the actual tuition cost.

Our average tuition rate is currently less than 50% of the actual cost for the education of your children. Please pray that the Lord would supply the difference between the amount of tuition we charge and the actual amount of money it takes to educate each child so that Heartland Christian School can continue being a viable ministry in Thomas County.
